**Box: Amendment**

Dear Sir:

In response to the Patent Office Action dated June 17, 2003, please amend the above application as follows.

---

**Amendment and Submission of Substitute Specification**

---

In the Specification, please substitute the substitute specification included herewith for the specification that is currently part of this application. The substitute specification does not include claims - the currently pending claims are amended as indicated below.

In the Claims, please substitute claims that are amended on the following pages for similarly numbered claims in the pending application. Changes to claims are shown with added text underlined and a strikethrough indicating canceled text. Claims that are not altered by this amendment are indicated as either "Previously Amended", "Previously Cancelled", "Previously Added" or "Original", claims cancelled by this amendment are indicated as "Cancelled" and new claims are indicated as "New".
